

GUIDELINES FOR PARENTS/GUARDIANS

- 1. Parents are requested not to enter the classrooms or contact the teachers in the school without prior permission of the Principal, except on PTM days. A note in the school Diary/Almanac or mail from the parents on school mail id: info@npsmogra.org should be used for fixing appointment with the Principal/class teacher/subject teacher.**
- 2. Parents must ensure that their ward(s) comes to school in proper school uniform, carry handkerchief and wear polished shoes. Hair should be neatly combed and nails should be trimmed and clean.**
- 3. Parents are requested to monitor the academic performance of their ward(s).**
- 4. As the medium of instruction in the school is English, parents must help the students in acquiring fluency in English language.**
- 5. Fine will be charged for destroying or damaging school property or school records.**
- 6. Parents will not allow their ward(s) to carry expensive watches or electronic gadgets to school. They are expected to extend full cooperation in running the school efficiently. Constructive suggestions from parents are always welcome.**
- 7. Parents must inform the class teacher about the history of chronic disease, if any, that their ward is suffering through a note in Almanac along with a photocopy of the prescribed treatment. Please make sure to obtain "Fitness Certificate" from the doctor before sending your ward to school after an illness.**
- 8. Maintenance of text books and note books is of utmost importance. Teach your ward to take care of them & label them neatly. They should be responsible for all their belongings.**
- 9. If your ward is absent from school on any day, the school should be informed. Kindly give your correct mobile number to your child's Class Teacher in the personal information sheet, as the school sends SMS regularly to the parents**
- 10. Encourage your ward to take interest in sports and co-curricular activities, besides academics, as all count towards final evaluation of performance.**
- 11. Send your ward to school after a wholesome breakfast and encourage him/her to carry tiffin with nutritious meals (avoid chips, noodles and pre-cooked snacks). See that your ward brings a napkin with tiffin box daily.**
- 12. Encourage your ward(s) to watch only educational and selective entertainment programmes. Excessive viewing of T.V makes children dull and passive. On the other hand, encourage them to play outdoor games. Parents are also requested, preferably, not to watch TV programmes when their child/children are studying as it distracts their attention.**
- 13. Make your ward understand that self-discipline and cleanliness contribute to good health.**
