Nestled in the lap of nature, miles away from the city din, amidst the lush green heartland of Hooghly district in West Bengal, Narula Public School, Mogra aspires to integrate scholastic & co-scholastic dimensions of pedagogy in accordance with the CBSE outline with an objective of providing joyful learning experiences to the students, thereby ensuring their holistic development.

Vision

To, “Enrich, Empower, Enlighten” our children through discovery, innovation, exposure & interaction for building effective human talents in context of national & global needs.
